FALSE REPORT THAT

CHELSEA WAS ON FIRE Railroad Man Started Story in New London, When Steamer Was Late

many friends throughout eastern Con-

Reaching There.

A report that the steamer Chelsea was on fire was in circuistion here early Thursday evening, having started in New London, where a railroad man had reported that he had seen the boat on fire in the river.

Agent Knouse of the company here, investigated the rumor, finding that the boat had left Montville all right. the boat had left Montville all right, and had been seen from there to reach the bridge at New London, although she was considerably behind time, as she did not leave Norwich until about

6.30.

He explained that the boat had some trouble in gelting past the dredger in the river, and as the dredger works with a bright light at night, it probably gave the appearance as if the Cheisea was on fire when she passed the dredger, and was probably seen just at that time by the railroad man

REALTY AND BUSINESS.

Norwich Shows Decrease, But in State Record for Last Year is Exceeded.

Against eight sales of real estate the past week last year there were six this year, the mortgage loans being \$13,400 last year against \$19,669 for the

same week in 1911. The volume of real estate transac-tions for the week runs slightly ahead At a special meeting attended by various delegates, it was voted to hold the United States grand lodge convention of the U. O. Red Men in Bridgeport, from September 1 to September 4, 1913, inclusive,

James William Connell, who has Norwich relatives, has issued a pamphlet giving two addresses made at the conduction of the same period was \$1,099,111, against \$1,611,667 for the second week of November, 1911.

The record of petitions in bankruptcy filed in this state during the week to the same period was \$1,099,111, against \$1,011,667 for the second week of November, 1911. filed in this state during the week makes a far better showing that for the similar week of any preceding year. The two petitions of the week

year, The two pettiens of the week have average assets of \$3,278 and liabilities of \$5,513.

There was a larger number of incorporations in the state during the week than usual, but the total capitalization is small, the average being

\$15,375. The record of building permits in the four leading cities of the state corresponds very closely to the figures for the like week of 1911, and is well in advance of the figures for 1919. A record of building permits in in advance of the neutres for 1910. At total of 89 permits were issued in these cities during the week, for buildings costing \$331,980, which compares with 85 permits for buildings costing \$354,-035 last year, and 69 permits, with \$137,175 value, in 1910.

COUNSEL OF B'NAI B'RITH

ARRESTED FOR FORGERY Complaints of Not Receiving Money from All Over the Country.

New York, Nov. 14.—Municipal Court Judge Leon Sanders, president of the B'Nai B'Rith Abraham, the national Jewish fraternal organization, caused the arrest tonight of Alfred B. Jaworower, the counsel of the organization, on a charge of forgery. Judge Sanders declared complaints had been received from persons all over the country that they had not received money due to them through the death of relatives who were members of the

organization.

The arrest of Jaworower was made upon the specific charge that he forged the name of Mrs. Bertha Blendy to a check which should have been for-warded to her in California, as a ben-efit due on account of the death of her husband and that he appropriated the

Vincent Astor on "Millionaires Jury." New York, Nov. 14.-Vincent Astor, who, tomorrow, his 21st birthday, comes into the fortune left him by his father, the late John Jacob Astor, was appointed today by Sheriff Harburger a member of the third panel of the sheriff's jury. Young Astor thus takes his father's place on the "millionaire jury," composed of some of the city's weathest men.

Government Sues for Timber. New York, Nov. 14—The government brought suit here this afternoon against James B. Haggin of this city to recover \$2,512,954 representing the value of cordwood and other timber alleged to have been cut wrongfully by the Anaconda company from na-tional lands in Montana between August 1884, and January, 1896,

Roosevelt Carries California, San Francisco, Nov. 14.—California, emplete, gave Roesevelt a plurality onight over Wilson of 66 in more tonight over Wilson of 66 in more than half a million votes, These figures were official from all but three counties, San Francisco, Los Angeles and Yuba.

Senator Raynor Has Relapse, Washington, Nov. 14.—Senator Isador Rayner of Maryland, who has been seriously ill for some time at his residence here, had a relapse tenight and his son and other members of the immediated family were summened hurriedly to his bedside.

# BUSINESS MEN FOR GOOD ROADS

Norwich Merchants Unite in Welcome to Pilot Car of State Association-Frank J. King and William F. Hill Welcome Judge C. M. Robinson Here With Escort of Norwich Machines-Visitor Recommends Only Concrete Type For State Roads.

Norwich business men made a dem- | through Waterbury, Meriden,

Frank J. King and William F. Hill of the board of trade went to William. tic in the morning in Mr. Hill's ma-chine, with his son driving, and brought Judge C. M. Robinson, counsel for the association, over the road from Willmantic to Norwich. On the way careful note of the condition of the

roads was taken.

Met at Smith's Corners. At Smith's Corners, according to invitation from the board of trade, a party of Norwich men in machines was in waiting about 10.30 o'clock 10 greet the good roads pilot car and escort it to this city. Those who were there with machines included Archibald Mitchell, Louis Porteous, L. O. Smith, W. Russell Baird, M. B. Ring and Peter Cecarelli. County Road Inspector John Donovan was also on hand with a machine, and made the hand with a machine, and made the offer to show the pilot car over the roads of the county, but Judge R.A. inson declined, saying that he had to

eep to his schedule.
Each car owner had the seats in his machine filled with prominent men of the city, and all were introduced to Judge Robinson. The party included

Talk on Good Roads.

The cavalcade of automobiles progan house, where in the parlors Judge Robinson talked for about three-quarters of an hour on Good Roads as a

In connection with the plans of the association for laying our good roals in Connecticut, Judge Robinson sug-gested that the Norwich board of trade and the Business Men's association become members of the association, so
that they may have something to say
regarding the actions of the Good
Roads association. The association
proposes, said Judge Robinson, to secure legislation that will provide for
the construction of a permanent pavement upon the main trunk line highways of the state, east and west, north
and south. The route outlined is
through Hast Port Chester, Stamford,
Bridgeport, New Haven, New London, and the Business Men's association be-Bridgeport, New Haven, New London, Groton, and thence east as far as the state line; a route from Stratford north through the Naugatuck valley, passing through Waterbury, Torrington, Winsted, Norfolk and Caman to Ashley Falls; a third route from Danbury go that way.

FOUND POLICEMAN ON HIS TRAIL

Joe Caboni Ventured to Return Here, But Was Quickly Taken In. Joe Caboni, 26, who fied the city after a fracas on North Main street London wrecking company are standing by the schooners Maggie Ellen and rested here at a house on North Estelle, which are on the rocks off rested here at a house on North Thames street Thursday morning about 10 o'clock by Supernumerary Ralph Divets, Cabeni, the police had learned, came to the city on Wedneslearned, came to the city on Wednes-day, and they had an eye out for him

Wednesday night, but he kept out He gave his address as Hartford when entered on the police blotter and it is understood he has been in Rhode Island and in Hartford since he has

been away from here. He will be be-fore the police court this morning. In the Labor day fight in which Caboni was said to have been a participant James Parone was cut in the hand. Parone claimed he was trying to act as peacemaker between Caboni and Giuseppe Pastore and that Caboni ed for appraisers, but none were defi-was the one who cut him.

That Caboni was taken so soon after

he ventured to return to the city is a demonstration to evildoers that the lo-cal police have close information of the comings and goings of any whom they may be looking for.

AT THE DAVIS.

Vaudeville and Photoplays. One of the strong bills of the sea-son was shown on Thursday at the Davis theater, with Sutton, McIntire and Sutton starring in a remarkably clever and neat bit of spectacular dancing, acrobatic and contortion work

that gets a glaisome hand.

The Rhodes Marionettes are marvels of mechanical accuracy and nov-eity, and for a dialogue in flashing mile-a-minute comedy Hanley and Jarvis rank with anything behind the footlights. Teh photoplays as usual footlights. Teh photoplays as usual class with the topline quality of the rest of the offerings on the bill.

OBITUARY.

Mrs. George B. Marshall. On Wednesday morning at 5.39 o'clock Marion Cherry , wife of George B. Mar-shall, passed away at the home of her son-in-law, William Whaley at the son-in-law, William Whaley at the Hotel Central on Green street in Bos-ton, following a long illness of diabetes and complications.

Mrs. Marshall was the daughter of George Cherry and Marion McGill and George Cherry and Marion McGill and was born in Paisley, Scotland, on May 31, 1843. She came to this country when a child, with her parents, and for a long time was a resident of Greeneville passing the greater part of her life there. She was united in marriage with George B. Marshall during the Civil war. Mr. Marshall was a Civil war veteran having enlisted in the army during the dirst part of the the army during the first part of the war. He was an engineer by trade and war. He was an engineer by trace and for some time was employed at the plant of the Page Boiler company of this city. About four years ago Mrs. Marshall moved to Boston where she had resided since. She was a member of Sedgwick Relief corps of this city. The deceased is survived by one sister, Mrs. Mary B. Pierce, of Springfield and the following nieces and nephews: Mrs. Charles A. Yerrington of Laurel Hill. Mrs. Harry Beckwith of Hartford. Mrs. Charles A. Yerrington of Laurel Hill, Mrs. Harrw Beckwith of Hartford, Mrs. William Brown of Spence, Mrs. Etta Pierce of Boston, A. Ernest Cher-ry of Norwich, Frank Pierce of Hope-dale, Mass., John A. Cherry of Wor-cester, Robert and James Cherry of Bridgeport. She also leaves three grand children and one great grand child.

Visited New London Rollef Corps. A good number of the members of Sedgwick Weman's Relief corps at-tended by invitation the meeting of W, W, Perkins corps, No. 18, in New Lendon Thursday afternoon and evening and the occasion proved a most enjoyable one. The attractive pro-gramme included initiations and musi-It is an easy matter to everfeed gramme included initiations and must-fowls, and poultrymen should bear cal selections. An excellent supper this in mind.

Norwich Dusiness men made a demonstration for the good roads movement, now fostered by the Connecticut Good Roads association, by giving the good roads pilot car an enthusiastic through Norwich to New London. The greeting here on Thursday as it reached this city on its tour around the state. coinciding with the Willimantic-Nor-wich route for about three miles.

Concrete Foundation Suggested. A six inch foundation of solid con-crete is suggested for the state roads the matter of top dressing to be de-cided by a commission of experts. The expense of 400 miles of such a road would be between five and six million dollars, and it is suggested that state bonds be issued to raise the money The expense of maintenance would be a half million dollars a year. roads of the present are a bound, said the judge, and staying qualities. By con roads such as suggested, the would have permanent roads and could have them paid for in ten years' time. concrete foundation roads cost about one-third more and last times as long as the water

Prime Essentials Are Three. According to the judge, the associa-tion will recommend to the legislature that no money be appropriated for highways other than of concrete con-struction. The matter of road build-ing, said the judge, is merely a mat-ter of business. There are three es-Mayor Murphy, Representative John
F. Craney, President C. S. Fairclough
